

## Korean Scientists Visiting Cavendish Lab.

Period	Research Area	Researcher	Research Activity
28 August - 3 September, 2004	CKC	Prof. C. S. Yoon (KAIST)	Discussed the Opening Ceremony of Cavendish-KAIST Research Cooperation Center, Symposium, and the details of the collaborative programme
29 November - 4 December, 2004	CKC	Prof. C. S. Yoon (KAIST)	Participated in the Korea-UK Joint Committee of Science & Technology.
23 January - 30 January, 2005	Nanoelectronics	Prof. H. S. Kim (Sunmoon Univ.) Prof. S. B. Lee (Hanyang Univ.)	Carried out collaborative research at the Cavendish Laboratory
23 January - 7 February, 2005	Nanoelectronics	C. H. Lim I. S. Nam (Hanyang Univ.)	Carried out collaborative research at the Cavendish Laboratory
6 February - 13 February, 2005	Nanoelectronics	Prof. J. B. Choi (Chungbuk Univ.)	Carried out collaborative research at the Cavendish Laboratory
15 February - 20 February, 2005	Spintronics	Dr. K. H. Shin (KIST) K. I. Lee (Yonsei Univ.)	Carried out collaborative research at the Cavendish Laboratory
20 February, - 12 May, 2005	Nanoelectronics	C. K. Lee (Chungbuk Univ.)	Carried out collaborative research at the Cavendish Laboratory
16 April - 24 April, 2005	Nanoelectronics	Prof. S. B. Lee (Hanyang Univ.) Prof. H. S. Kim H. W. Kim (Sunmoon Univ.)	Carried out collaborative research at the Cavendish Laboratory
16 April - 2 May, 2005	Nanoelectronics	B. H. Park C. H. Lim (Hanyang Univ.)	Carried out collaborative research at the Cavendish Laboratory
23 May -	Optoelectronics	Dr. Clare C. Byeon Dr. S. H. Han	Carried out collaborative research at the Cavendish Laboratory

26 May, 2005		(GIST)	
19 June - 25 June, 2005	Nanoelectronics	S. I. Jang S. H. Lee (KAIST)	Carried out collaborative research at the Cavendish Laboratory
19 June - 1 July, 2005	Nanoelectronics	Prof. H. J. Sung (KAIST)	Carried out collaborative research at the Cavendish Laboratory
22 June - 30 June, 2005	Biophysics	Prof. K. W. Yoon J. H. Cho (University of Seoul)	Carried out collaborative research at the Cavendish Laboratory
19 September - 24 September, 2005	Nanoelectronics	Prof. H. S. Kim (Sunmoon Univ.)	Participated in the CKC Symposium, and Korea Day
19 September - 24 September, 2005	CKC	Prof. C. S. Yoon S. W. Kim H. S. Lim (CKC)	Participated in the CKC Symposium and Korea Day
19 September - 24 September, 2005	Nanoelectronics	Prof. J. B. Choi (Chungbuk Univ.)	Participated in the CKC Symposium and Korea Day
19 September - 24 September, 2005	Spintronics	Prof. S. C. Shin (KAIST) Dr. K. H. Shin (KIST) Prof. W. Y. Lee (Yonsei Univ.)	Participated in the CKC Symposium and Korea Day
19 September - 24 September, 2005	Optoelectronics	Dr. Clare C. Byeon Dr. S. H. Han (GIST)	Participated in the CKC Symposium and Korea Day
19 September - 24 September, 2005	Biophysics	Prof. K. S. Soh Dr. B. C. Lee K. Y. Baik J. H. Kwon (Seoul Univ.) Prof. K. W. Yoon (University of Seoul)	Participated in the CKC Symposium and Korea Day

19 September - 29 September, 2005	Spintronics	Dr. J. R. Jeong (KAIST)	Participated in the CKC Symposium and carried out collaborative research at the Cavendish Laboratory
15 October, 2005 - 30 June, 2007	Optoelectronics	Dr. C. L. Lee (Seoul Univ.)	Carried out collaborative research at the Cavendish Laboratory
15 January - 15 March, 2006	Biophysics	Dr. B. C. Lee (Seoul Univ.)	Carried out collaborative research at the Cavendish Laboratory
9 February - 6 March, 2006	Biophysics	J. H. Cho (SNUT)	Carried out collaborative research at the Cavendish Laboratory
13 February - 17 February, 2006	Nanoelectronics	Prof. S. B. Lee B. H. Park (Hanyang Univ.)	Carried out collaborative research at the Cavendish Laboratory
15 February, 2006 - 30 June, 2007	Biophysics	Y. J. Yoon (SNUT)	Carried out collaborative research at the Cavendish Laboratory
26 February, 2006 - 30 June, 2007	Spintronics	Dr. J. R. Jeong (KAIST)	Carried out collaborative research at the Cavendish Laboratory
11 March - 14 April, 2006	Biophysics	K. Y. Baik (Seoul Univ.)	Carried out collaborative research at the Cavendish Laboratory
11 May - 4 June, 2006	Nanoelectronics	C. K. Lee (Chungbuk Univ.)	Carried out collaborative research at the Cavendish Laboratory
19 May, 2006 - 18 May, 2009	Optoelectronics	I. C. Hwang (KAIST)	Carried out Ph.D research at the Cavendish
20 May - 24 May, 2006	Optoelectronics	Dr. Clare C. Byeon Dr. S. H. Han (GIST)	Carried out collaborative research at the Cavendish Laboratory
31 May - 22 June, 2006	Nanoelectronics	B. H. Park (Hanyang Univ.)	Carried out collaborative research at the Cavendish Laboratory

16 June - 24 June, 2006	Spintronics	Y. S. Park (KAIST)	Carried out collaborative research at the Cavendish Laboratory
29 June, 2006 - 28 June, 2007	Biophysics	Prof. D. C. Kim (Suncheon First College)	Carried out collaborative research at the Cavendish Laboratory
3, July - 29, August, 2006	Astrophysics	H. K. Kang (KAIST)	Joined the Cavendish Lab. Summer Research Programme
	Biological and Soft Systems	Y. H. Ko S. H. Kim (KAIST)	
	Optoelectronics	J. Y. Hwang (KAIST)	
	Surface Physics	H. K. Yoon (KAIST)	
5 August - 8 August, 2006	Spintronics	Prof. S. C. Shin (KAIST)	Discussed the cooperative research with Professor Bland

## Cavendish Scientists Visiting Korea

Period	Research Area	Researcher	Research Activity
21 September - 23 September, 2004	Optoelectronics	Dr. J. S. Kim (Cavendish)	Conducted collaborative research with GIST and Seoul Univ., Discussed collaborative research of Optoelectronics area
8 November - 10 November, 2004	CKC	Prof. M.Longair (Cavendish)	Participated in the Opening Ceremony of Cavendish-KAIST Research Cooperation and Symposium
8 November - 10 November, 2004	Nanoelectronics	Dr. Geb. Jones (Cavendish)	Participated in the Opening Ceremony of Cavendish-KAIST Research Cooperation and Symposium
8 November - 12 November, 2004	Spintronics	Dr. Wan-Sik, Cho (Cavendish)	Participated in the Opening Ceremony of Cavendish-KAIST Research Cooperation and Symposium
8 November - 12 November, 2004	Optoelectronics	Dr. Carrie Donley (Cavendish)	Participated in the Opening Ceremony of Cavendish-KAIST Research Cooperation and Symposium
8 November - 12 November, 2004	Biophysics	Dr. Debbie Stokes (Cavendish)	Participated in the Opening Ceremony of Cavendish-KAIST Research Cooperation Center. Seminar on Environmental Scanning Electron Microscope (ESEM) and biological application
28 May - 10 June, 2005	Spintronics	Dr. Wan-Sik Cho	Participated in the Korean Magnetics Society Meeting, Carried out collaborative research at KAIST and KIST
29 August - 6 September, 2005	Optoelectronics	Dr. Neil Greenham (Cavendish)	Gave Cavendish scholar lecture, Discussed the collaborative research of Optoelectronics area
7 May - 11 May, 2006	Optoelectronics	Dr. Neil Greenham (Cavendish)	Gave Cavendish scholar lecture, Discussed the collaborative research of Optoelectronics area
18 May -	Spintronics	Dr. K. Y. Lee (Cavendish)	Carried out collaborative research at KAIST

2 June, 2006			
19 June - 25 June, 2006	Biophysics	Dr. Pietro Cicuta Dr. Harald Dobberstein (Cavendish) Prof. Yuri Korchev (Imperial College)	Participated in the Frontiers in Biophysics and Nanobiotechnology Conference
26 June - 27 June, 2006	Nanoelectronics	Dr. D.Hasko Dr. Kenneth Teo (Cavendish)	Participated in the International Workshop on Nanoelectronics at Choongbuk National University
28 June, 2006	Nanoelectronics	Dr. D.Hasko (Cavendish)	Gave Seminar on Quantum Computing
