Welcome to the fifth edition of the project Newsletter. You will have seen an increased Bouygues presence on and about the campus now as we have begun enabling works.

**Cavendish III / Shared Facilities Hub:**

Works on the permanent hoarding have begun to the north of the site and along JJ Thomson and will continue over the coming weeks.

The installation of an internal access road across the site and installation of the site Welfare / Office cabins will take place late October / early November 2018.

**Infrastructure:**

The Infrastructure works have commenced with services diversions and enabling works taking place under Charles Babbage Road. These works are for the drainage and involve tunnelling to a depth of 4m and a length of 17m ensuring that the traffic / pedestrian routes are not disturbed.
**Cycling Routes**

As discussed in previous newsletters the following map below shows updated information for cycling routes / pedestrian routes.

Please note the routes shown as a red dashed line will be closed due to the installation of the permanent hoarding and for site safety.

- This route will be closed from the end of next week – 5 October 2018
- This route will be closed from January 2019
Program:

Site Program and Occupation:
Enabling Works & Surveys – Early 2018 to End 2018
Shared Facilities Hub Construction – Mid 2019 to End 2020
Cavendish III Construction – Late 2018 to Early 2022
Infrastructure – Late 2018 to End 2022

Health and safety is our top priority.

All sites across BYUK will be taking part in a Health & Safety day on 11 October where everybody will commit to learning and improving health and safety in the workplace.

Bouygues staff across the UK (approximately 4000) will simultaneously focus on the following areas over one single day:
• Mental Health
• Health & Wellbeing
• Leadership and behaviours

Corporate Social Responsibility:

Charity:

On the 6 / 7 September 40 members from the Project - Client / Consultants / Agency and BYUK staff undertook the National 3 peaks challenge. I am pleased to say that we succeeded in this challenge – it was tough........
Due to the number of nominations to date for CAMVET we decided to raise funds from the challenge for them and to date have raised £2845.
We are also supporting other Charities on the Project and will be holding the following events:

MacMillan Coffee Morning – 28 September
Wear Pink for Cancer – 12 October

As part of our community engagement we will start to liaise with adjoining stakeholders about the design of our site hoarding incorporating specific designs into the panels.

**Coffee mornings:**

Please join us in the West Café at 10am: 18 October, 15 November, 1 December.

We continue to work with our neighbours throughout the construction of the project and will provide details of potential employment opportunities and some of our proposals for engagement with the local community in future communications. In the meantime, if you have any questions, please email: admin.cavendishIII@bouygues-uk.com
Your safety is our concern

Bouygues UK takes every precaution to keep you safe throughout the construction process.

At all times, our site will be secure and surrounded by fencing but building sites can be hazardous places:

- We dig deep holes
- We erect scaffolding
- We use large, noisy machinery

Please do not enter the construction site, unless it is part of a pre-arranged visit by our project team.

- Our operatives and staff are trained to work safely
- Please help us to keep you and children safe, and take extra care during the school holidays.

Considerate Constructors Scheme

As with all our projects, this site will be registered with the scheme, and regular visits from the Considerate Constructors monitor will help us to ensure that we continue to improve our performance in showing full respect for:

- Appearance
- Safety
- Community
- Workforce
- Environment

Please let us know if you have any concerns.

Our contact details are below:

If you would like further information regarding the Scheme you can visit their website at www.ccsheme.org.uk

Standard site working hours are:

Monday to Friday: 8am-6pm
Saturday (if needed): 8am-1pm

There should be no noisy works before 8am.

Want to speak to us?

We understand you will want to know what is happening in your area. Our team is available to answer any queries or concerns you may have and are only too pleased to hear from you. If you have any community projects that you think Bouygues UK could get involved with, please contact the site team below.
