

West Cambridge Gateway Projects

Ray Dolby Centre; Shared Facilities Hub; Infrastructure Works

Issue 1 – February 2018

Bouygues UK is proud to be working with the University of Cambridge to deliver the Ray Dolby Centre, the Shared Facilities Hub and Infrastructure Works.

This is the first edition of the project newsletter whose aim is to ensure you are informed about the progress of the project throughout its duration.

Construction work:

The main works are not scheduled to start for a number of months, but we began a programme of preliminary works – 'Proof of Concept' on the site on 5th February 2018.

Community Relations Open Forum: we will be holding an introduction event on 12th March in the Maxwell Centre (JJ Thomson Room) to introduce ourselves to our neighbours. Please join us at 4pm for a coffee & cake and to learn more about the project.

The plan shows the Bouygues UK construction site:

Maxwell Centre

West Cambridge Café

Coffee mornings: we will be holding fortnightly coffee mornings on the following dates, please join us in the West Café at 10am: 22nd March, 5th April, 19th April, 3rd May, 17th May, 31st May

We are looking forward to working closely with our neighbours throughout the construction of the project and will provide details of potential employment opportunities and some of our proposals for engagement with the local community in future communications. In the meantime, if you have any questions, please email: admin.cavendishIII@bouygues-uk.com

Your safety is our concern

Bouygues UK takes every precaution to keep you safe throughout the construction process.

At all times, our site will be secure and surrounded by fencing but building sites can be hazardous places:

- We dig deep holes
- We erect scaffolding
- We use large, noisy machinery

Please do not enter the construction site, unless it is part of a pre-arranged visit by our project team.

- Our operatives and staff are trained to work safely
- Please help us to keep you and children safe, and take extra care during the school holidays.

**HEALTH
& SAFETY
A SHARED
COMMITMENT!**

Considerate Constructors Scheme

As with all our projects, this site will be registered with the scheme, and regular visits from the Considerate Constructors monitor will help us to ensure that we continue to improve our performance in showing full respect for:

- Appearance
- Community
- Environment
- Safety
- Workforce

Please let us know if you have any concerns.

Our contact details are below:

If you would like further information regarding the Scheme you can visit their website at www.ccscheme.org.uk

Standard site working hours are:

Monday to Friday: 8am-6pm
Saturday (if needed): 8am-1pm

There should be no noisy works before 8am.

Want to speak to us?

We understand you will want to know what is happening in your area. Our team is available to answer any queries or concerns you may have and are only too pleased to hear from you. If you have any community projects that you think Bouygues UK could get involved with, please contact the site team below.
