

West Cambridge Gateway Projects

Ray Dolby Centre ; Shared Facilities Hub; Infrastructure Works

Issue 4 – July 2018

Welcome to the fourth edition of the project Newsletter. You will have seen an increased Bouygues presence on and about the campus now as we have been conducting some survey for upcoming works.

We have also been asked how you pronounce our company name Bouygues – phonetically it is **BWEEG**

Ray Dolby Centre / Shared Facilities Hub:

There is currently no ongoing construction work on the main site, the next activity to start on the site will be the installation of an access road across the site and installation of the site Welfare / Office cabins which will take place late Aug / early September.

There will also be the demolition of one of the concrete slabs located close to the centre of the site, this will take approximately 2 weeks and is due to commence late August, these works will generate some noise and will cause some vibration – we will be using a variety of measures to reduce the dust, noise and vibration throughout these works. Should you have any concerns please use the contacts at the end of this newsletter.

Infrastructure:

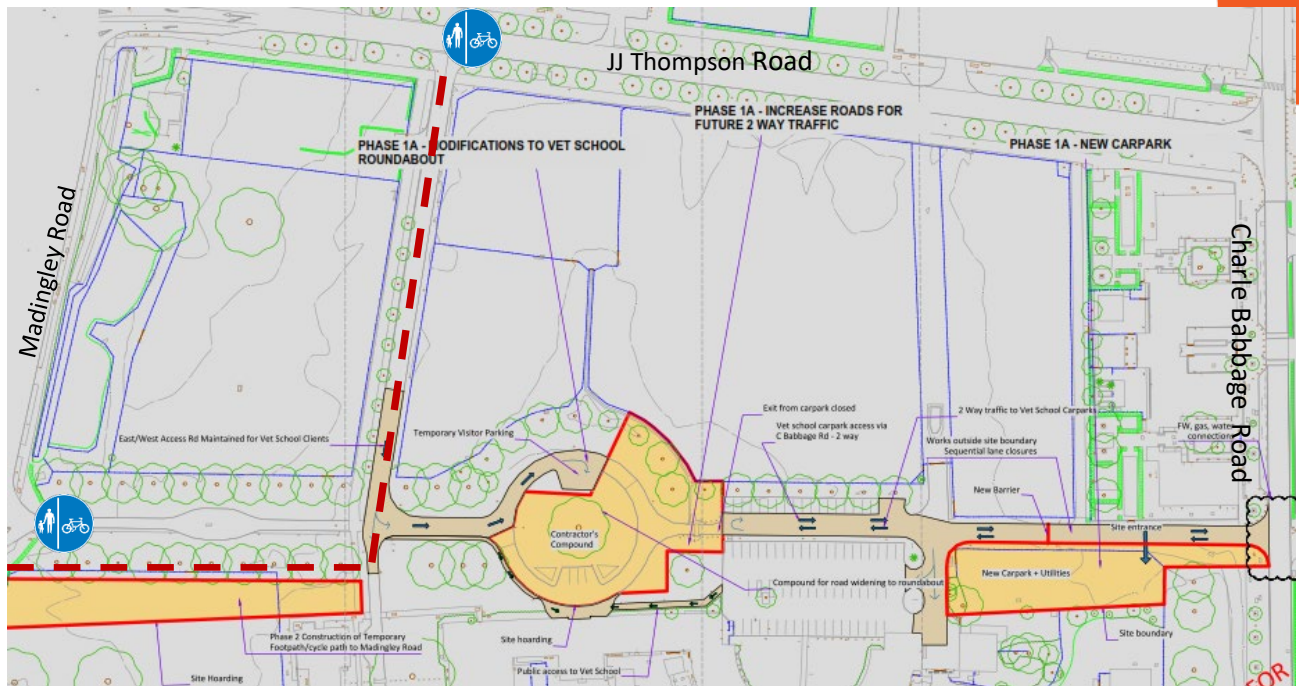

We will continue to undertake surveys during July in preparation for the commencement of the infrastructure works. Services diversions and enabling works will be starting in mid-August and running through till the end of the year.

Shared **innovation**

www.bouygues-uk.com

We will maintain a cycle / pedestrian route for residents shown on the drawing below as the (red dotted line) during the Infrastructure works.

Program:

Site Program and Occupation:

- Enabling Works & Surveys – Early 2018 to End 2018
- Shared Facilities Hub Construction – Mid 2019 to End 2020
- Ray Dolby Centre – Early 2019 to Early 2022
- Infrastructure – Late 2018 to End 2022

Corporate Social Responsibility:

Bouygues UK are committed to working with the community, we do this through various initiatives:

- engagement with local Schools and Universities to promote careers in construction
- opportunities for work experience, placements and traineeships
- Site visits from residents and the local community

Charity:

Shared innovation

www.bouygues-uk.com

We have received 7 nominations from you recommending a charity to support during the life of the project. To date we have the following, please continue to send us suggestions or support the ones detailed below:

- Cystic Fibrosis Trust
- Cambridge United Community Trust
- Camvet

Should you have any questions the site email address is:

admin.cavendishIII@bouygues-uk.com

As part of our community engagement we will start to liaise with all stakeholders about the design of our site hoarding incorporating specific designs into the panels.

Coffee mornings:

Please join us in the West Café at 10am: 16th August, 13th September, and 11th October.

We are looking forward to working closely with our neighbours throughout the construction of the project and will provide details of potential employment opportunities and some of our proposals for engagement with the local community in future communications. In the meantime, if you have any questions, please email:

admin.cavendishIII@bouygues-uk.com

Your safety is our concern

Bouygues UK takes every precaution to keep you safe throughout the construction process.

At all times, our site will be secure and surrounded by fencing but building sites can be hazardous places:

- We dig deep holes
- We erect scaffolding
- We use large, noisy machinery

Please do not enter the construction site, unless it is part of a pre-arranged visit by our project team.

- Our operatives and staff are trained to work safely
- Please help us to keep you and children safe, and take extra care during the school holidays.

**HEALTH
& SAFETY
A SHARED
COMMITMENT!**

Considerate Constructors Scheme

As with all our projects, this site will be registered with the scheme, and regular visits from the Considerate Constructors monitor will help us to ensure that we continue to improve our performance in showing full respect for:

- Appearance
- Community
- Environment
- Safety
- Workforce

Please let us know if you have any concerns.

Our contact details are below:

If you would like further information regarding the Scheme you can visit their website at www.ccscheme.org.uk

Standard site working hours are:

Monday to Friday: 8am-6pm
Saturday (if needed): 8am-1pm

There should be no noisy works before 8am.

Want to speak to us?

We understand you will want to know what is happening in your area. Our team is available to answer any queries or concerns you may have and are only too pleased to hear from you. If you have any community projects that you think Bouygues UK could get involved with, please contact the site team below.
